

## **DIRECTORATE OF TREASURIES AND ACCOUNTS**

### **1. Introduction:-**

The Department of Treasuries and Accounts was established in the Year 1980. At that time there were only eight (8) District Treasuries and two (2) Sub-Treasuries. Since then, this has increased to eleven (11) District Treasuries and twelve (12) Sub-Treasuries. Three (3) new District Treasuries and ten (10) Sub-Treasuries have been established after the establishment of the Directorate. The objective of the Department is to provide the facility of Government transactions to the people of the State at their doorsteps through the Treasuries, and to ensure financial discipline and control.

In the initial stages, the Treasuries functioned under the establishment of the Deputy Commissioners until the time a separate department was carved out in 1980. The department today comprises of staff from diverse departments such as the Accountant General's office, Auditors from NST and Accountants from Works Divisions whose services were absorbed.
